Where Fair Price and Quality Meet

The Lily Supreme—The Gladiolus

Consider the lilies of the field how they grow; they toil not neither do they spin; and yet I say unto you that even Solomon in all his glory was not arrayed like one of these.

—Holy Scripture.

1931 Sale List of Choice Gladiolus

Other interests make it necessary for us to radically reduce our stock of gladiolus bulbs. For this reason we are reducing our prices on all varieties from twenty to forty per cent. You will find the quality of our bulbs to be unsurpassed, and our prices should make it possible for you to purchase many of the newer varieties. We invite your patronage and assure you that your orders will be filled in an unusually liberal manner.

Our Guarantee:

We guarantee all bulbs to be healthy, true to name, and of full size—in fact to be of the best quality obtainable.

It is expressly understood that any shipment may be returned at our expense if not satisfactory in every way, and that your check will be promptly refunded.

If any bulb should bloom untrue it will be replaced with equal value next season.

Quantities Other Than Listed

One bulb or bulblet may be obtained at the 10 rate or 10 at the 100 rate except that no single item shall amount to less than five cents.

Ten bulbs may be obtained at eight times the single rate or 100 at eight times the ten rate.

Prepaid Prices:

All quotations are made prepaid to your address and safe delivery is guaranteed.
